To impart international quality education that will groom students to become responsible within the context of their own families and communities.

Who we are?

GPSS has been promoted by a trust, known as GET, which was registered in 2015 with a vision to serve society through education and environmental activities. The Trust is managed by a group of like-minded individuals, with a common zeal to contribute to society through valuable service and commitment to enhance opportunities, especially for the disadvantaged. The Trust has focused on providing unparalleled educational opportunities from its inception to the underprivileged and all its centres of learning have set benchmarks in their respective fields.
